—Athletic Hall of Fame—

We welcome you to the Seventh Clayton Valley High School Athletic Induction Ceremony, sponsored by the CVHS Athletic Hall of Fame Committee. On October 17, 2008 we celebrated the 50th Anniversary of Clayton Valley High School and the Inaugural Athletic Hall of Fame Ceremony. The CVHS Hall of Fame honors amazing athletic achievements of our elite student athletes and their continued commitment to uphold the integrity and high standards of the CVHS Athletic Program.

The 2022-2023 school year marks the Clayton Valley High School's 65th Anniversary; and 15 years since our prestigious Hall of Fame was started.

Tonight we honor alumni who symbolized excellence in athletics and who have utilized learned skills on the field, on the court, and on the mat to excel in their professions and in their community. We will honor our team building coaches who spent countless hours to train, motivate, teach life lessons and to point our student athletes in a direction of success. Finally, we will honor members of our beloved community who dedicated their lives to help build CVHS into a highly respected and proud athletic institution.

We wish to take a moment to acknowledge the vision, perseverance and ultra hard work by former athletic directors Pat Middendorf, Dee Billeter and Bill Nelson who founded the CVHS Athletic Hall of Fame, and say *thank you!*

BIALE'S CELEBRATE 100 YEARS IN FOOD & HOSPITALITY BUSINESS

This year, 2022 . marks 100 YEARS for the Biale Family in the food and hospitality industry!

After my grandparents, Giovanni and Virginia Biale , immigrated from Italy , they opened Biale's Meat Market on Potrero Hill, the Italian neighborhood in San Francisco . In fact , BIALE, is still tiled into the entry way on Connecticut Street to this day.

Giovanni and Virginia, owned and operated Biale's Meat Market from 1922 to 1962. By the way , they lived upstairs from the Meat Market , not too bad of a commute! Their three sons, Giacomo (Jack) , Mario (my father) and Rudy also worked at the Meat Market . Jack stayed in the butcher business his whole life , owning and operating his own Meat Markets in San Francisco.

My Dad went to work at the original Bimbo's 365 Club on Market St (yes , 365 Market...that's how it got the name). Augustino " Bimbo" Giuntoli and my dad were lifelong friends.

Beginning in the 1940's , my Dad went on to own and operate The Carnival Club on Eddy St , The Shadow Box in Laurel Heights , then he and his brother Rudy , opened Don & Rudy's at California & Hyde. Don was a nickname for my dad, don't ask.

Rudy opened Between the Acts on Geary St in San Francisco's theatre district, before moving to Phoenix and opened many bars and restaurants, Guys and Dolls was an extremely popular nightclub in the 1950's.

My uncle, Rudy Biale, went to great success after moving to Hawaii in the 1960's. He owned and operated many successful restaurants and bars, namely Rudy's Italian Restaurant in Waikiki for 26 years. My brother Anthony and I worked for Rudy while living in Hawaii in the 1980's.

In 1960 , My dad went back to work for Bimbo's , now located on Columbus in San Francisco , where he stayed until retiredOr so we thought . Soon after retirement he was lured back to work at Petar's in Lafayette in the early 1970's. He met Petar Jakovina when they both worked Bimbo's in the early 1960's .

As for myself, after working at many bars and restaurants in Contra Costa from the mid 1970's to late 1990's , my family took a chance and opened Rocco's Ristorante & Pizzeria in October 1999, on Halloween to be specific.

All three of our grown kids work at Rocco's now, Dante behind the bar, Dominic at the front desk and Nina serving on the floor.

So there you have it , a brief look at 100 Years for the Biale Family in the Food, Spirit and Hospitality Business . On behalf of loving grandparents, who were also married for 75 year years , my parents and uncles, my family wants to thank you for 100 years of your support and friendship!

A presto,
Rocco Biale

Clayton Business and Community Association (CBCA)

In 1984 a group of concerned business owners and community members founded the Clayton Business and Professional Association to help further the businesses of Clayton. They quickly realized that their cause had to expand beyond just businesses to benefit the entire Clayton community. Thus, the organization's name was changed to the Clayton Business and Community Association (CBCA).

Today, the CBCA is a non-sectarian, non-partisan, non-profit 501(c)(3) organization, independent of the City of Clayton, comprised of Clayton residents, business entities, and those wishing to voluntarily serve the Clayton community.

The CBCA is solely responsible for organizing and producing the major festivals in Clayton each year. The CBCA Art & Wine Festival began in 1995 and started the CBCA tradition of transforming Clayton into a "festival destination city."

Following the CBCA Art & Wine Festival, came the CBCA Oktoberfest and the addition of the CBCA BBQ & Brews Festival as well as the advent of the CBCA Clayton Bocce League and facility.

Thousands of Claytonians and visitors alike flock to downtown Clayton each year to delight in the charms of our town, our businesses, beautiful surroundings, and friendly festival-like atmosphere. In addition to festival goers, over 1800 bocce players from all over the Bay Area now participate in the CBCA Clayton Bocce leagues throughout the year. A Cornhole league is slated to begin soon as well.

Proceeds from CBCA festivals, CBCA Clayton Bocce, and other fundraising efforts are donated to a variety of causes, organizations, groups, and charities benefiting the Clayton community.

Some that have received CBCA donations are; Clayton Valley Village, Diamond Terrace, Clayton Valley Little League, Blue Star Moms, Clayton AAUW, Clayton Valley VFW, Mt Diablo Elementary school, including helping to rebuild the school playground, Diablo View Middle School, Dana Hills Swim Team, Junior Achievement, Christmas for Everyone, Diablo Vista Soroptimists, Adopt-a-family, Grants to Clayton businesses during the pandemic, the Clayton Community Library, Clayton Historical Society, Clayton Theatre Company, and nearly \$300,000 in scholarships, just to name a few.

In addition to scholarships, the CBCA is proud to be an ongoing sponsor of CVCHS athletics, as well as various CVCHS educational opportunities.

Furthermore, during the past 10 years alone, over \$102,000 has gone directly to the City of Clayton for things such as, new computers at city hall, police car repairs, a new staff picnic table outside of city hall, city hall plumbing repairs, Clayton CERT, the downtown Christmas decorations, citywide beautification projects, sponsorship of the Clayton 4th of July Parade, including the volunteers it takes to put on that parade, and over \$45,000 to the Concerts in the Grove. Plus, CBCA donations built the Grove Gazebo, widely considered to be the centerpiece of downtown Clayton.

This year, the CBCA has earmarked \$175,000 to donate back to the Clayton community.

CBCA is honored to accept the CVCHS Athletic Hall of Fame Award as we continue our mission to support and benefit the greater Clayton community.

Congratulations CVHS Top Athletes Clayton Valley High Athletic Hall of Fame 2023 Induction

Sports in addition to being fun, tend to bring out the best in people. They tend to teach physical, mental and character qualities that are helpful and relevant to life, family, and the work world. Athletes experience "pushing the envelope" of physical and mental stamina, meet challenges in character, judgment and sportsmanship, and generally build a foundation that can be very helpful to success as they proceed through life. - Some Quotes that help athletes to succeed include:

***The price of success is hard work, dedication to the job at hand, and the determination that whether we Win or lose, we have applied the best of ourselves to the task at hand.** Vince Lombardi

"The principle is competing against yourself. It's about self-improvement, about being better than you were before." - Steve Young

"Do not let what you cannot do interfere with what you can do." - John Wooden

"Adversity causes some men to break; others to break records." - William A. Ward

"The difference between a successful person and others is not a lack of strength, not a Jack knowledge, But rather a Jack of will." - Vince Lombardi

"The way a team plays as a whole determines its success. You may have the greatest bunch of individual Stars in the world, but if they don't play together, the club won't be worth a dime." - Babe Ruth

"Other people may not have had high expectations for me ... but I had high expectations for myself." - Shannon Miller

"You learn you can do your best even when it's hard, even when you're tired and hurting. It feels good to Show some courage." - Joe Namath

"It's not the size of the dog in the fight, but the size of the fight in the dog." - Archie Griffen

"I'm a great believer in luck, and I find the harder I work, the more I have of it." - Thomas Jefferson

"It's a little like wrestling a gorilla. You don't quit when you're tired you quit when the gorilla gets tired." - Robert Strauss

"Gold medals aren't really made of gold. They're made of sweat, determination, and a hard to find alloy Called guts." - Dan Gable

"The 1st period is won by the best technician. The 2nd period is won by the kid in the best Shape. The 3rd period is won by the kid with the biggest heart." - Dan Gable

Dee Billeter

Athletic Director/Coach

At 27 years, Dee Billeter is the longest-serving Athletic Director—boys or girls—in Clayton Valley history. Her lifelong fight for women's equality made a lasting impact on girl's athletics not only at Clayton Valley, but throughout the North Coast Section. Dee's dedication to Clayton Valley is unparalleled, as evidenced by her years as a decorated teacher, coach, athletic director, CV parent, CV grandparent, and co-founder of the CV Athletic Hall of Fame.

Dee grew up in Portland, Oregon, in a sports-minded family with three siblings. In middle school, Dee played CYO volleyball, basketball, and softball. Although Portland high schools in the late 1950's did not offer interscholastic sports for girls, Dee competed in her high school's volleyball and basketball intramural programs.

When Dee went on to the University of Portland, there were only two sports for women: basketball and tennis. Dee played on the very successful basketball team that went undefeated in Dee's junior year. Dee graduated in 1964 with a major in Physical Education and a minor in French. She earned her MA in Physical Education in 1968 from SF State University.

Just before starting at CVHS in 1966, Dee married her late husband Tom who was a dedicated teacher and coach. Throughout their 54 years together Tom's love, encouragement, enthusiastic support and great sense of humor were Dee's anchor and inspiration.

In 1966, the girls' athletic program in the district was limited to occasional Girls Athletic Association (GAA) "play days" with schools in the area. Dee, along with 2008 Hall of Fame inductee Karen Johnson and other like-minded women coaches, started the journey on the path to more equity. Even with the implementation of Title IX in 1972, advances did not come easily. However, the success and scope of CV's girls' athletic program over the years is a testament to the dedication of those early pioneers.

From 1966 to 1970, Dee coached JV Field Hockey, JV Basketball and Varsity Gymnastics and assisted with other sports. In 1971, she took a maternity leave of absence. She returned to teaching part-time in 1973 and coached the Varsity Softball team from 1974 to 1976, winning the League Championship in 1975 and 1976 (there was no girl's North Coast Section yet).

1976 DVGAL Tournament Champions—defeated Antioch 13-11

She also coached the co-ed bowling team from 2000 to 2003.

Dee was the girl's athletic director from 1976 to 2003. She oversaw many Leagues and NCS championship wins for CV girls' teams, including the State championship in Cross Country. However, although the wins were great, Dee's greatest success is measured by the number of competition opportunities she helped to create for so many girls for so many years at every level.

In 2008, Dee and former boys' athletic director Bill Nelson, created and co-chaired the CV Athletic Hall of Fame committee. With the help and support of many, the first induction was held in 2008 and Dee's work on the committee continues to this day.

Both Dee and Tom's children and three of their grandchildren are CV graduates with the fourth to graduate next year. All have benefited from their participation in athletics at CV. Go Eagles!!

The Varsity Football team gave a new dimension to the meaning of "Eagle Pride" this year winning North Coast Section area championships, Diablo Valley Athletic League Championships, and making the North Coast Section Finals at the Oakland Coliseum. The Ugly Eagles finished the season with a league record of 9-1, and an over-all record of 11-2.

The 1985 Head Coach, George Smylie led Clayton Valley High School varsity football team to one of the all-time great seasons in Clayton Valley history. Winning the DVAL title with a regular season record of 9-1, the Ugly Eagles squad tore through the preseason undefeated and with a single loss in league play and the title in hand, were well prepared for a North Coast playoff run.

Jeff Badger's bruising running style put him over 1,000 yards for the season and earned him the accolade *DVAL Player of the Year*. Contrasting Badger's running style, Ronaldo Bussey brought a change of pace at running back with his speed and quickness. Both running backs benefited from a powerful Mike Huff coached offensive line anchored by Gary Ferguson, Rob Dorsey, and Anthony Wilson. Three year starting quarterback Chris Katsuleras, who would later go on to UCLA and backup Hall of Famer Troy Aikman, was efficient all season finding All DVAL wide receiver Keith Ellis and UC Davis bound tight end Ken Murray consistently for big gains. Leo Rowland, who later went on to kick for DVC and become a JUCO All-American who received a scholarship to kick at Brown University, won two key games for the Ugly Eagles in the final moments. A last second 47-yard field goal against Ygnacio Valley to secure the win was a precursor to one of the most exciting finishes in NCS history.

After defeating De Anza 28-19 in the first round of the NCS playoffs, Clayton Valley faced traditional powerhouse San Ramon Valley on a muddy field that many would go on to say was "unplayable" and in a condition that would most likely cause the venue to be changed in this current age of athletics. With the score locked at 7-7 after regulation, the game went into overtime. Rowland kicked a field goal to put the Uglies up 10-7 after holder Jeff Olson handled the snap and muddy football perfectly. The vaunted Ugly Eagle defense, led by Defensive Coordinator Bill Mattson, lived up to its nickname as Greg Svitenko, Gino Colchico, Chad Linderman, Chris Ellis, and Gary Gissell all rallied for a goal line stand to stop San Ramon and send Clayton Valley into the NCS Championship in the Oakland Coliseum. Though falling to Pittsburg 15-12 in the NCS finals, the 1985 Clayton Valley varsity team ended the season as *DVAL League Champions* and also earned the title of *North Coast Section Area Champions* for their 2-0 ride through their side of the NCS bracket. They finished the season with an admirable 11-2 record. This tough-nosed football team will be remembered for continuing the tradition of Ugly Eagle football: strong defense, tough players, a pounding run game, and a never-quit attitude.

"Matt Mazzei is not only my godfather but basically the godfather to the entire Clayton Community. His generosity is unmeasurable as it is not only in demonstrated in monetary donations but in contributions of service, spirit and heart. He puts his all in every program he touches and we are lucky to have him. He strengthens our community in resources and facilities but even more importantly in togetherness and camaraderie.

—*Meghan Pardi, Class of '03*

"Matt is one of a kind! His generosity and spirit will always be felt by the Clayton Valley Baseball Program."

—*Bob Ralston, former CV Head Varsity Baseball Coach '99-'06, '09-'11, Former Cal State East Bay Head Coach -'12-'16, Current CV Varsity Baseball Assistant*

"In the early 2000's Matt Mazzei transformed CV Baseball Field into a Complex. This complex not only put the team's in a position to be successful on the field but also led and continues to lead to many Eagles spending countless hours at the facility practicing and bonding. It is a safe place for Eagle baseball players to spend time and work on their skills. It is also a place where 100's of youths in the area go to learn baseball and the teams are able to give back by instructing these elementary age kids. Matt was a key player in the success of many Eagle teams. When his son was in the program Matt would open his home up to all players as a place to build that great chemistry and of course eat well. I could go on and on with wonderful stories about the passion Mr. Mazzei showed toward CV Baseball being successful. Mr. Mazzei's influence on the success of CV Baseball will never be forgotten."

—*Casey Coakley Class of '96, Current Clayton Valley Varsity Baseball Head Coach*

I can't thank Big Matt enough for all his support and generosity while playing baseball at CV. From helping to renovate our field, getting us new hats and uniforms, to letting us hit in his batting cage at all hours, Big Matt, along with the coaches, facilitated us with the opportunity and resources to reach our full potential as baseball players, have the most fun, build camaraderie and friendships that would last a lifetime."

—*Sam Ray Class of '03, San Diego Padres Regional Scout*

"Matt Mazzei is one of the great supporters of Clayton Valley Athletics in its long history, from the pre trip breakfast before our Playoff trip to Eureka in 97 to countless pasta feeds and post game celebrations, Matt bleeds red, white, and blue. He has helped make the experience of being an athlete and coach at Clayton Valley special for countless people throughout the years. Thank you for everything Matt."

1996 Girl's Track Team

The 1996 varsity girls track team accomplished a record that had never been achieved in the history of CVHS. They became the 8th track team in a row to go undefeated in league competition. They were 6-0 in the League in 1996. John Millar was the coach, and he holds the head coaching record for the Most Consecutive League Championships in any sport at Clayton Valley.

Kelly Howisey & Pia McAllister were the most valuable players on the team and Alisa Macksey was the team captain. The Top Sprinter was Pia McAllister, Top Field event competitor was Dana Lawson, Top Distance runner was Heather Wallace & Kelly Howisey. The team took 2nd place at NCS. Kelly, Deborah, and Heather were part of the 1994 State Championship Cross Country team inducted into the Hall of Fame in 2013.

Four members of this team went on to compete at the college level, three in Division I Dana Lawson (Cal Berkeley), Kelly Howisey (Vanderbilt), Deborah Osteen (Nebraska) and one at a Division II school Heather Wallace (Seattle Pacific).

Not only was this a great championship team, but they were also scholars. Their accumulative GPA was third in the North Coast Section.

This was accomplished during a very wet year when running on a soft track and in mud was accepted as the norm. The only all-weather track in our league was Alhambra. Even though the track was soft, wet, and muddy on which to train, this team set 5 school records and almost two more. Holes were dug in the track for pumps to help remove the water.

Twenty-foot boards were pulled by many hands to scrape off the mud. The jumping pits were lakes even with such conditions this team excelled.

After finishing 5-1 in 1974 and 6-2 in 1975 in Diablo Valley Athletic League (DVAL) competition, the 1976 Girls Gymnastics Team finished second in the DVAL with a 7-1 record. The Ugly Eagles led by Head Coach Patricia Potter and Asst. Coach Terry Turner, went into the DVAL post-season with confidence in competing at a high level. Indeed, Terri Markey (Jr.) won the All-Around Championship in the Intermediate Optionals Division. In the Beginner Division, Charli Patterson (Jr.) won the All-Around Championship. Andrea Eissner (So.) finished 2nd in the Beginner Division All-Around. In all, Clayton Valley won nine 1st place awards, five 2nd, two 3rd, and one 5th place. Although no team scores were kept for post-season meets, the top 5 individual placers in each division advanced to the North Coast Section (NCS) Championship.

Two weeks later, teams representing ten different NCS leagues were at the inaugural NCS Girls Gymnastics Championships. Clayton Valley continued to perform exceptionally well, with Terri Markey becoming an NCS Champion in All-Around in the Intermediate Optionals Division. Charli Patterson won the NCS Championship in the All-Around in the Beginner Division while teammate Andrea Eissner was 2nd. The Eagles won eight 1st place awards, one 2nd, four 3rd, and one 5th place. At team awards, Terri Markey was named team MVP while Valerie Thomason and Denise Priest received the Outstanding Senior Award. Terri Markey was awarded the highly respected Fitzpatrick Super Sport Award for her DVAL and NCS performance.

The 1977 Girls Gymnastics Team went undefeated in DVAL competition at 8-0, winning their second League title in 4 years (1974 first title). At the DVAL Meet, Laura Landgraf (Sr.) was crowned League Champion in the coveted All-Around Intermediate Compulsory Division while Ellen Emes (Fr.) finished 4th. Charli Patterson (Sr.) won the League Championship in the All-Around in the Intermediate Optionals Division. Clayton Valley won seven 1st places, one 2nd, one 3rd, three 4th, and three 5th places.

The 2nd Annual NCS Girls Gymnastics Championship saw Laura Landgraf earning an NCS Championship in the All-Around in the Intermediate Compulsory Division, while Charli Patterson was crowned NCS Champion by winning the All-Around competition in the Intermediate Optionals Division. The Eagles won seven 1st place awards. At team awards, Ellen Emes was named MVP while Laura Landgraf and Charli Patterson received the Outstanding Senior Award. Laura Landgraf was awarded the Fitzpatrick Super Sport Award for her DVAL and NCS performance.

The 1976 and 1977 Girls Gymnastics Team helped establish Clayton Valley as one of the premier Girls Gymnastics programs in the North Coast Section. They are honored here as great examples of Eagle pride and poise.

Interestingly, Charli Patterson, as of 2018 (last time the Top-Ten Swimming and Diving Records Board was updated), is ranked #9 All-Time in CVHS Diving Scores under the Boys listing. In 1977, the Boys and Girls Diving Events were combined. She is listed as "Charlie Patterson" on the Board.
